Gordon Livestock Auction Company

GORDON, NEBRASKA

General Sale Information

TIME—Tuesday, February 13, 1973. The sale will start promptly at 12:30 P.M. (MST).

LOCATION—Gordon Livestock Auction Company, Gordon, Nebraska.

TERMS—The terms of the sale are cash. Settlements are to be made with the clerks of the sale during or immediately after the conclusion of the sale. All stock will be at the buyer's risk as soon as bid off. Insurance will be available.

LIABILITY—Each transaction in this sale will constitute a contract between buyer and seller. The sale manager, auctioneer or ringmen, have been employed for specific tasks not connected with the handling of the cattle or condition of the premises and they will not accept liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any responsibility for injuries that may occur. All persons attend this sale at their own risk.

GUARANTEES—All cattle will be sold under the Standard Guarantee recommended by American Shorthorn Association.

HEALTH—All animals in the sale have been tested for TB and Bangs within thirty days of the sale date. All the animals selling will have health charts and meet the requirements for interstate shipment. If there are exceptions, an announcement will be made from the auction block. All females are pregnancy checked and all bulls have been semen tested.

ANNOUNCEMENTS—Announcements from the auction block take precedence over statements printed in the catalog.

PEDIGREES—Purchasers are asked to furnish information necessary for proper transfer of animals. The ASA Sale Management will transfer certificates to the new owners.

ROOM ACCOMMODATIONS—The Hacienda Motel, located on the west end of Gordon, Nebraska. Phone: (308) 282-1400.

SALE STAFF:

Auctioneer, Dick Kane, Wisner, Nebraska

Sale Manager, A. S. A. Sale Management, 8288 Hascall Street, Omaha, Nebraska 68124 Phone: (402) 393-7200

Gene Fitzgerald, Nebraska Farmer, P. O. Box 81208, Lincoln, Nebraska.

Western Livestock Journal Representative, 326 Livestock Exchange Building, Denver, Colorado 80202.

Veterinarian, Dr. Vernon Johnson, Gordon, Nebraska.

Lunch: A cafe is located in the Auction Market.

FURTHER INFORMATION—Contact Earl Burress, Gordon, Nebr. Phone: (308) 282-0411. Located 2 miles north, 2 miles east, and 1 mile north of Gordon.

Welcome to the First Burress Production Sale

I want to extend a welcome to everyone to attend my first production sale. I have devoted myself to building a Shorthorn herd of cattle with the profit minded cattleman in mind.

In this first sale, I have decided to offer the best I have, so as a result I have put up some of my finest females and the top end of my bulls. The cattle are sound in every way and guaranteed to be producers.

I am looking forward to seeing you on February 13, 12:30 p.m., at the Gordon Auction Market. The cattle at home will be available for your inspection at any time.

Sincerely,

Earl Burress

From The Sale Management

Earl's decision to hold a production sale has been encouraged by many worthy cattlemen who know the Burress cattle. These cattle have been bred for the cowman. A strong influence in making the Burress herd great has come from his good friend and neighbor Joe Huckfeldt.

Earl is a good, honest, respectable breeder of Shorthorns, and we urge you to come see for yourself and take advantage of Earl's fine offering.

He has made many sacrifices in the females so that you might enjoy their ownership.

Be on hand February 13, Gordon, Nebraska.

A. S. A. Sale Management

SCOTSDALE CAESAR—By Scotsdale Tehran, is out of a Calrossie Prefect Rosebud cow that is also the dam of Scotsdale Uvira Rosebud, winner of the cow class at the Royal Winter Fair three years in succession. Caesar won his class at the Royal as a junior yearling and has matured into a bull of tremendous size and still retains character and quality. He has seen service at Scotsdale before Earl purchased him for \$3,000 at the Brandon International. At one year of age he weighed 1,045 lbs. and now weighs well over a ton in range condition. Truly one of the largest Shorthorn bulls in the area. Many of the females in this sale are bred to Caesar.

J H WONDER 34—This chief herd sire in the Earl Burrress herd is one of the very top bulls ever produced in the Huckfeldt herd. He is a ton bull that has size, scale, length and good elevation. In addition he is a good headed, well balanced, level lined, smooth and well muscled throughout. His sire is the 2100 lb. Denver sale reserve champion Double Wonder K. His dam is an outstanding big, roomy producing granddaughter of a great imported Marshall Augusta cow that sold with calf at side for \$5,000 in the famous Femco Dispersion. His dam is also the dam of the \$1,600 Huckfeldt sale second top bull that went to Pawnee Shorthorns, Genoa, Nebr., and one of the top cows that went to Roger Applegate, Oakland, Iowa.

General Information on Burress Bulls

J. H. Wonder 34th, Scottie Wonder K and Wonder K. Mr. Mike are the sires of 26 bulls in this Burress Sale. Ruggedness and beefiness is found on these bulls throughout. Earl found a bloodline in the Wonder K's that allowed him to breed the ranchers kind. Here is an opportunity to buy 1 or a dozen bred alike to insure uniformly good strong calves. The Wonder bloodlines have proven profitable for Joe Huckfeldt with his Wonder bred bulls averaging \$940 in his past two production sales.

A Growth Stock

Shorthorn and Polled Shorthorn cows are a growth stock: In financing parlance this means a sound investment that is assured of increasing in value.

The future of all beef cattle looks bright. The growing population in America and a growing per capita beef consumption makes investment in cow-calf programs mighty attractive.

The Shorthorn-Polled Shorthorn future looks especially bright. That is because the breed has more to offer the beef world than any other breed.

There are breeds more highly glamourized . . . there are breeds with more inflated values but no breed is more universally recognized for its improvement ability than the Red, White and Roan. Nearly every large, exotic breed in the world owes much of its parentage to Shorthorns. If you really think about that fact alone, you should have a greater appreciation for Shorthorns.

No breed has more genetic purity than Shorthorns. The breed has no problem with dwarfism, cancer eye, prolapses, sunburned udders. No beef breed is so enriched with milking ability, with docility, with gaining ability.

We could go on and on about Shorthorn superiority and their higher profit potential. If you own Shorthorns, you know their dependable productive ability. If you don't own Shorthorns, it is high time you did. The females offered in this sale can do much to cement your faith in our breed.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. All animals cataloged have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- F. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- G. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
- H. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period.
